11 – 17 November 2026

PRACTICAL INFORMATION FOR PARTICIPANTS

HOW TO REACH PALERMO FROM THE AIRPORT

Palermo Falcone Borsellino Airport (Punta Raisi) is located approximately 30 km from the city centre. The city can be reached by shuttle bus, train or taxi.

By bus

The Prestìa e Comandè shuttle bus connects the airport with Palermo city centre, including Palermo Centrale railway station. The journey takes approximately 50 minutes, with buses running every 30 minutes.

Tickets cost around €6 for a one-way journey or €10 for a return ticket.

Tickets can be purchased online through the Prestìa e Comandè website, at the ticket office at the kiosk near the bus stop or directly on board. The bus stop is located outside the Arrivals terminal, on the right-hand side, just beyond the shared-taxi area.

By train

The airport railway station is located on the lower level of the terminal, with regional trains connecting the airport to Palermo Centrale and other stations in the city. The journey to Palermo Centrale takes approximately 35–60 minutes, depending on the service, with generally up to two trains per hour in each direction, although frequency may vary throughout the day.

A one-way adult ticket costs approximately €6.80. Tickets can be purchased online through the Trenitalia website, via the Trenitalia app, or at the station's ticket machines.

Important**:** Due to scheduled railway works starting on 4 November 2026, some services may be modified, cancelled or replaced by buses, particularly during evening and overnight hours. Please check the latest timetable on the Trenitalia website before travelling.

By taxi

Taxis are available outside the airport's Arrivals exit, and a shared-taxi service is also offered.

The journey to Palermo city centre takes approximately 35–50 minutes, depending on traffic and the destination.

The fare for a standard taxi is approximately €39–€50, depending on the area of the city, while shared taxis cost around €10 per person, with a minimum of four passengers, typically grouped together at the airport's taxi waiting area.

Fares may vary depending on the destination, so it is advisable to confirm the price with the driver before departure.
